Hayley Cakes

Hayley Cakes are uniquely created to add a creative flair to your special occasion, pleasing both to the eye and the palette. To allow for more creative decorating and coloring details, all our cakes are frosted on the outside in our signature vanilla buttercream, unless otherwise specified.

We have many styles, colors and designs to choose from. Feel free to browse our portfolio to get your creative ideas flowing. We love to brainstorm with our customers to allow us to provide the "cake of your dreams."
